

INTEGRITY SERVICES FOR SPORTS

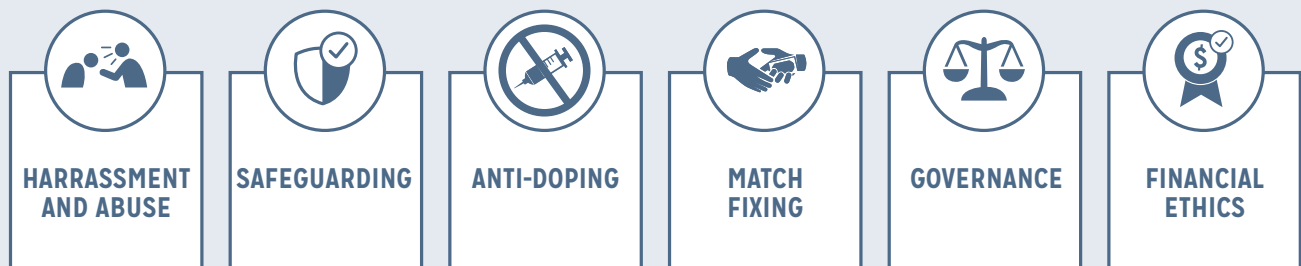

“Achieving the Highest Level of Integrity for your Sport”

We are McLaren Global Sport Solutions and Harod - A specialized consulting team for sport organisations offering services to ensure brand integrity, help navigate difficult ethical issues, and reduce risks.

MGSS and Harod have partnered combining over 30 years of experience in developing sophisticated structures and policies related to sport ethics and third-party investigative services. Together we operate globally, servicing clients in professional and amateur sport, governments, and large international sport federations.

WE OFFER A FULL SPECTRUM OF SERVICES THAT ADDRESS THE FOLLOWING:

WE DEAL WITH ANY ISSUE OF CORRUPTION ACROSS OUR SPECTRUM OF SERVICES

We help our clients solve complex issues across our bespoke spectrum of services including, but not limited to:

1. SPORT POLICY

- » Review and development of various policies including Codes of Conduct, Discipline, Dispute Resolution, Appeals and Compliance procedures
- » Auditing of governance and financial structures

2. INVESTIGATIONS

- » Independent third-party investigative services
- » Development of sophisticated intelligence to inform complex investigations
- » Available proprietary cyber investigation tools, including dark web/deep web, forensic services, and social media monitoring

3. INTELLIGENCE LED

- » Development of intelligence-led services within your organisation to deal with threats and risk
- » Intelligence collation and database control
- » Whistleblower services
- » Corporate organisation to make the most of available sources of information

4. ABUSE, HARASSMENT & SAFEGUARDING

- » Our intelligence-led capabilities can help identify and deal with racism, bullying and other forms of abuse
- » Safeguarding policies and implementation critical to any organisation

5. INTEGRITY STRUCTURES

- » Planning and establishing integrity units for sport organisations
- » Development and management of independent dispute resolution (arbitration) structures
- » Development and management of whistleblower functionality

6. RESEARCH & EDUCATION

- » Customised client research and survey development
- » Bespoke education tailored to key integrity topics and client audiences - delivered in the form of workshops, keynote addresses, and webinars

7. BRAND MANAGEMENT

- » Reputational management
- » Crisis public relations
- » Clients have relied on the MGSS name to demonstrate their commitment to integrity and transparency in the face of complex issues they have faced

WHY WORK WITH US?

- We are independent and objective.
- We have a strong brand that is recognised globally for our commitment to integrity.
- We provide a unique 'one stop' integrity capacity with available expertise in sport law, investigations, research, and sport governance.
- We provide quick turnaround on emergency solutions for clients that can include investigative support, intelligence-led solutions, policy reviews and restructuring, and customised research to support client action.
- We bring unique intelligence and investigation capabilities to the sporting environment that, on their own, would be too expensive, but with our surge capability can be provided at a fraction of the cost it would take you.
- We are experts in creating integrity units within sport organisations to ensure long term risks are avoided.
- We are connected with leading international sport federations and governing agencies, with expert knowledge of international sporting codes and best practices.

OUR LEADERSHIP

Richard H McLaren, OC, Co-Founder and CEO

An internationally recognised expert in sports law and arbitration, Professor Richard McLaren has spent his career working at the highest levels to protect the integrity of sports. Professor McLaren has lent his expertise across multiple sports, working with several international sports and federations, serving as: lead third-party investigator, integrity officer, commissioner in high profile cases in sport including several International Olympic Games.

Martin Dubbey, Managing Director, Harod

Martin brings a unique blend of over 30 years of law enforcement and a decade of sports investigation experience, combined with an understanding of the latest technologies, to support integrity and help counter corruption in sport. Martin has also built expertise in private sector commercial fraud and asset tracing work, combining his experience of government, global connections and the use of sophisticated technology.
